

## MAC Presents Neil Simon's *The Odd Couple* — A Classic Comedy Comes to Life in North Richland Hills

**NRH, TX — December 22, 2025** — The Mid Cities Arts Collective (MAC) is thrilled to present Neil Simon's timeless comedy *The Odd Couple*, a hilarious and heartfelt exploration of friendship, friction, and the fine art of cohabitation. This production brings Simon's iconic mismatched roommates—sloppy sportswriter Oscar Madison and fastidious Felix Ungar—to the stage in a fresh, laugh-out-loud revival that promises to delight longtime fans and first-time audiences alike.

Set in a New York apartment where chaos meets compulsive cleanliness, *The Odd Couple* dives into the quirks and clashes of two men trying to make peace with their differences. With razor-sharp dialogue, unforgettable characters, and MAC's signature flair for emotionally resonant storytelling, this production is a must-see for lovers of classic theatre and contemporary comedy.

"This play is a masterclass in character contrast," says MAC Executive Director Tron Sutton. "It's funny, yes—but it's also deeply human. We're excited to bring that balance to life with a cast that truly understands the heart beneath the humor."

Performances will take place at Platinum Music Complex located at 7301 NE Loop 820, North Richland Hills, TX 76180. The show opens on January 17, 2026 and runs until January 25th with performance at 12pm Saturdays and 2pm Sundays. Tickets are available for purchase at [www.midcitiesartscollective.org](http://www.midcitiesartscollective.org).

Whether you're a neat freak, a lovable mess, or somewhere in between, *The Odd Couple* will have you laughing, cringing, and cheering for the power of unlikely friendship. Four Performances Only — Get Your Tickets Today! Don't miss this classic comedy reimaged with MAC's signature warmth and wit.
